

Metro East Chapter

Charity Committee

Attention:

CEOs, CELOs, Department Managers, Human Resource Managers, Branch Managers, Supervisors, and Staff

The Metro East Chapter Charity Committee is proud to announce the fourth charity we will focus on for the 2009 fundraising year. During the months of November and December, we will collect donations for **Gleaners Community Food Bank of Southeastern Michigan**.

Gleaners has been serving our communities since 1977, distributing to more than 400 agencies in Livingston, Macomb, Monroe, Oakland, Washtenaw and Wayne counties. Every \$1 in cash donations pays for three meals! Collection bins for canned goods will be available for your credit union. If your credit union is interested in supporting this campaign, please contact the charity lead committee member shown below for any necessary supplies or information.

By unifying our charitable efforts, we reach out to all credit unions in the Metro East Chapter to assist in providing nutritious food and meals to many in our community that are experiencing hardships.

We are committed to outreaches of all kinds and have been very successful in supporting many worthy causes since the formation of the committee in February 2007.
