

# Metro East Chapter Charity Committee

**Attention:**

CEOs, CELOs, Department Managers, Human Resource Managers, Branch Managers, Supervisors and Staff

The Metro East Chapter Charity Committee is proud to announce the kick off of our first charity in 2010. In January and February we will raise funds to assist the **Pay it 4ward** sponsored by Goodwill Industries.

In unifying our charitable efforts we reach out to all credit unions in the Metro East Chapter to support this worthy cause. We are committed to outreaches of all kinds and have been very successful in supporting many worthy causes since the onset of the committee in February 2007.

Donations for this program are to provide job training, skills and support to unemployed Metro Detroiters. For every 1,000 people Goodwill Industries puts to work, up to \$25,000,000 in wages are earned and spent locally each year the workers are on the job.

The campaign kicks off January 1<sup>st</sup> and runs through February 28<sup>th</sup>. Please assist us in giving local individuals a brand new start!

Thank you for your support!
