## METRO EAST CHAPTER OF CREDIT UNIONS FUEL SCHOLARSHIP APPLICATION

FUEL MI aims to expand, support, and provide opportunities for networking, collaboration, leadership development, and cooperative community outreach for emerging credit union professionals.

The Metro East Chapter of Credit Unions' FUEL scholarship program is designed to assist credit unions of all asset sizes with providing funding where they would not otherwise be able to participate. The FUEL scholarship awards will be awarded to two (2) applicants not to exceed \$1,000.00 in one calendar year. Scholarships are awarded as funds are available at the time of application. Please remember that FUEL scholarship funds are also available through the Michigan Credit Union Foundation (MCUF) so you are encouraged to apply there first.

Include a two or three paragraph narrative to explain how the Credit Union has supported the chapter and other political action efforts of the individual throughout the year.

Provide a brief description of what the credit union movement means to you and how your involvement with FUEL will aid in your future development. Include information on other avenues that have been utilized for scholarship funding including CHAPTERS, CURE, MCU Foundation, etc.
